

Organization

Ontario Public Service

*Ministry of Children,
Community, and Social Services*

Experience

IT Systems Assistant:

May 2024 – Sept 2024

Web Development Assistant:

May 2023 – Sept 2023

Contributions

- Developed a RESTful application, managed its API documentation, and deployed it.
- Authored technical documentation on security logging and monitoring, including SIEM, various log types, and regulatory compliance.
- Worked in the Social Assistance I & IT Branch, focusing on key programs: Ontario Disability Support Program (ODSP) and Ontario Works (OW).
- Actively participated and facilitated Scrum sessions, regularly taking on the role of a Scrum Master.
